## Actuarial Based Risk Assessment in Child Welfare

*Featuring: Dr. Aron Shlonsky  
Factor-Inwentash Chair in Child Welfare  
University of Toronto*

*Friday, July 16, 2010  
10:30 am – noon*

**University of Washington Law School  
William H. Gates Hall  
Rm. 115**

<http://www.law.washington.edu/about/direction.aspx>

**This learning opportunity will address:**

- an overview of actuarial based risk assessment in child welfare
- how actuarial based risk assessment should and should not be used in individual cases
- how actuarial based risk assessment can be used to address return home decisions in dependency cases.

To attend this event free of charge, e-mail Carrie Gaasland at [noble@u.washington.edu](mailto:noble@u.washington.edu).

CLE and CJE credits pending.
